FINANCIAL ARRANGEMENTS AND DENTAL INSURANCE

We are committed to providing you the best possible care available. Our office is **NOT** contracted as a provider for **ANY** insurance company due to the limitations they attach to treatment, regardless of the diagnosis. Our commitment is to you, our patient, not to any insurance company.

Your insurance benefits have been negotiated and purchased by your employer, and offered as a benefit to you. The contract is between you, your insurance company and your employer. We are not a party to that contract and do not have any specific information regarding your benefits.

As a courtesy, we will assist you in filing electronic claims to receive the maximum **out-of-network** benefits you are eligible to receive. Because we have no guarantee of payment or specific payment amount from your insurance company, we ask that all of our patients secure financial arrangements prior to their scheduled treatment.

We have several options regarding financial arrangements for treatment:

Payments can be made by major credit card

We will file your insurance and you will be required to pay the estimated portion for the procedure.

We accept **Care Credit**

If you have any further questions, please feel free to ask. We are here to assist you.
